

RED CROSS GIVES FULL ACCOUNTING

War Council Tells How Millions Contributed by Public Were Used For Relief.

BIG TASK IS DESCRIBED

In Twenty Months \$154,000,000 Was Spent Overseas and \$119,000,000 in the United States.

Washington, (Special).—Through a complete report of the work of the American Red Cross in the war by Chairman Henry A. Davison, on behalf of the war council, the organization on the eve of its annual enrollment of members during the Third Red Cross Roll Call, November 2 to 11, has rendered an accounting of the many millions given it by the American people to help our fighting men and our allies. The statement is, in part, as follows:

"The war council of the American Red Cross is now prepared to make a complete accounting to the American people of money contributed and expended, as well as the work done by the American Red Cross during the period in which the war council was in control of its affairs. The war council was appointed May 19, 1919, and went out of existence February 28, 1919.

"It was the practice of the war council to give complete publicity to its policies and finances, but it is only now that a picture of the war period as a whole can be presented. It is the feeling of the war council that a report in this summarized form should be made directly to the public which provided the money and gave the effort which made the American Red Cross a success.

"A statement of the American Red Cross effort and finances since the war council relinquished its control will be made to the public through the executive committee, and it is important, therefore, that the fact that this report covers the period only until March 1, should be carefully noted."

Following are certain round figures covering American Red Cross participation in the war, as revealed by the war council's report:

Elect Gov. Black Tuesday

Ballard Self-Confessed Profiteer

Thurston Ballard, the multi-millionaire president of Ballard Mills, of Louisville, was the man chosen by A. T. Hert for his hand-picked Republican ticket as the candidate for Lieutenant Governor. A close personal and business friend of Mr. Hert's, with ample funds at his disposal for campaign purposes, it is easy to see why he was chosen for the nominee for this office.

Admits Selling His Flour at \$1.10 Less in New Orleans Than in His Own State.

This is the man who is running with Mouth-Piece Morrow at the head of the Republican ticket—the man who, by his own admission, pleaded guilty to being a profiteer. Not satisfied with profiteering, the defense he made of his action is a slap at the people of Kentucky. The reason he gave is that he sells his flour for cash in New Orleans—as though Kentuckians could not pay cash!

Black Fights For the League of Nations But Morrow Only Equivocates!

The Republican nominee is already listening to "His Master's Voice." To Gov. Black's repeated challenges as to his stand for or against the League of Nations, he has given only evasive answers. He dare not face the issue fairly and squarely.

Yet is there anyone who doubts that the election of Morrow will be hailed by Republicans as a victory in their fight in opposition to the League of Nations.

Elect Morrow governor and they will come out from under cover and in glaring headlines announce that Woodrow Wilson's stand for civilization has been repudiated.

By their evasion they stand against it—they make it an issue.

Kentucky gave nearly three thousand of her sons to make the world safe for democracy. Will their lives have been given in vain? Will Kentucky continue to uphold the hands of Woodrow Wilson, to whom the peoples of the world are looking for leadership? Your votes Tuesday will decide.

Shall A. T. Hert Rule Kentucky?

Hark to What Chairman Rhea Said of A. T. Hert, the Republican "Boss" of Louisville, in His Speech at the Opening of the Democratic State Campaign at Hopkinsville.

"Shall A. T. Hert, lately of Indiana, now of Kentucky, be allowed to name the members of the State Tax Commission? Shall he and his millions dominate the politics of this state for the next four years? This is the most vital issue facing the people of the State today.

"Shall Mr. Hert, with the aid of Thurston Ballard, the profiteer, and the other millionaire candidates on the Republican ticket, be allowed to take over the State government outright? Behind Mr. Morrow's booming voice is the cunning hand of Hert. Morrow is the mere mouth-piece for Hert. The voice is that of Jacob, but the hand that of Esau. Shall Hert build a bridge from the Louisville City Hall to the State Capitol? Shall the Louisville Republican machine extend its sway to Frankfort?"

DO KENTUCKIANS WANT TO SEE HIM USE THE GOVERNOR'S MANSION AS A STEPPING-STONE TO WASHINGTON?

Letter From

Former Citizen.

You are getting out a neat, clean and newsy paper and it is

certainly a welcome visitor at my house. I want to congratulate you on your enterprising spirit and hope that you will have the hearty co-operation of the people of Marion, and that you may be successful in pounding it into the heads of the city authorities the necessity of fire protection. You can't afford to be without it. While I don't suppose that I will make Marion my home again, I will always think of it as home and feel deeply interested in the welfare of the people of both Marion and Crittenden county.

I have been away from Marion for 16 long years but I still think of the people there as they were when I left them and I can't realize that so many of my old friends have passed to the great beyond.

Please place me on your book and let me have the Press regularly at 630 Clarkson St.

With my very best wishes for your success, I am

Yours truly,
JNO. T. FRANKS.
